## Here are the basic facts about the Stinky Stevens book series ...

- **Target Audience:** Elementary age boys. These books are a huge hit with that group during Ron's summer Cartoon Camps.
- **Book Type:** 100+ page humorous readers with b/w cartoon art on every page (similar to Captain Underpants or Diary of a Wimpy Kid).
- **Theme:** Stinky Stevens is one of the few in the story who know the REAL truth ... that is, there is a caring cartoonist out there who created and controls everything in their world, yet rarely does what anyone expects.
- **Why this series:** There is very little literature in the marketplace that can reach elementary age boys with truths about God in a way they will want to read.
- **Ron Wheeler's credentials:** He's been a full time cartoonist for 30 years. You can learn more about his work and view his portfolio at [CartoonWorks.com](http://CartoonWorks.com).
